
∴ FUNDING & GIVING ∴

In 2020, The Women Of Quail Creek (TWOQC) appointed an Ad Hoc Task Force to make an assessment of TWOQC's capability to work as a fundraising organization. The result of this Task Force's findings was the establishment of the Funding and Giving Committee(F&G). This committee was created to recommend fundraising strategies to benefit all TWOQC's charitable concerns.

A part of the task assigned to the F&G Committee was to produce a fundraising event. In 2022, a Fashion Show was held with profits being given to local charities, most of whom had completed applications requesting financial assistance.

In 2023, the Fashion Show could not be held because our sponsor could not fulfill their commitment, however the valley charities had already completed their application request to TWOQC for funding assistance. As a result, the committee appealed to our members, Quail Creek residents, and friends of TWOQC outside of our local community for assistance in raising funds. To further inform our members and non-member supporters of these charity's needs, we are providing their names and a brief outline of their individual needs.
