A Community That

Believes in Her

We believe determination should never be limited by financial circumstances.

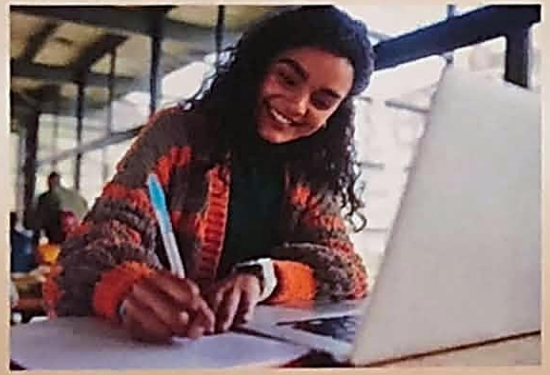

We believe education changes lives.

We believe every deserving woman should have the opportunity to pursue her dreams.

When you donate to The Women of Quail Creek Scholarship Program, you do more than help pay tuition...

MEET THE WOMEN YOU'RE *Helping*

Mia Mezquita

In 2026, TWOQC introduced PATH Scholarships (PROGRESS, ACCESS, TENACITY and HOPE) for young women who previously received a high school scholarship and needed financial assistance going into their second year of post high school education. Mia Mezquita, a first generation Mexican American and the first in her family to attend college, was one of three 2026 PATH recipients and her goal is to pursue a medical career specializing in anesthesiology.

"I was raised by a single mother who managed to provide us with our necessities but there was no extra money for college. I am the first of three siblings to attend a university. I will use this scholarship to further my education and reach my goal of helping others through my career...being awarded The Women of Quail Creek Scholarship has allowed me to focus on my studies with less financial burden. Thank you so much!"

Rebecca Gonzales

A daughter of Honduran immigrants and a first-generation college student, Rebecca was inspired by the surgeon overseeing her mother's post-operative care. *"I knew then that I wanted to be someone who not only heals but walks beside patients and their families in their most vulnerable moments. This desire sparked my journey into medicine."*

It was indeed a journey! In 2024, Rebecca received her first TWOQC AWE (Advancing Women through Education) Scholarship of $3,500. The Scholarship helped her earn a master's degree in medical science from the University of Arizona College of Medicine - Phoenix in May of 2025. That same month she received her second TWOQC Scholarship of $3,500, and in July of 2025 Rebecca began her four-year M.D. Program.

"I am so grateful for the support I received from the Women of Quail Creek. Your contributions helped ease my financial strain and allowed me to focus more fully on my coursework, research, and community outreach. I am incredibly thankful for your investment in my future."
